

Synopsis of April Board Meeting

The recent meeting of the CLC Board was held in Upper Sandusky on Saturday, April 17. Mr. Ed DePersis joined the Board to review the actuarial report for the year 2009 of operations. He reported the CLC is 20% stronger safety fund wise over the previous year. That fund includes the surplus, interest maintenance reserve and asset valuation reserve. He reminded us of the importance of selling life insurance products as they are the mainstay of our organization. Mr. DePersis also made several suggestions of how we can decrease the lien. The Board is taking his recommendations into account and will talk more about them at the July meeting.

Fraternal reports included matching funds and charitable donations. There is still money left in both accounts to give away. Councils are reminded to submit their applications. It was reported that 53 applications were received for the scholarship awards.

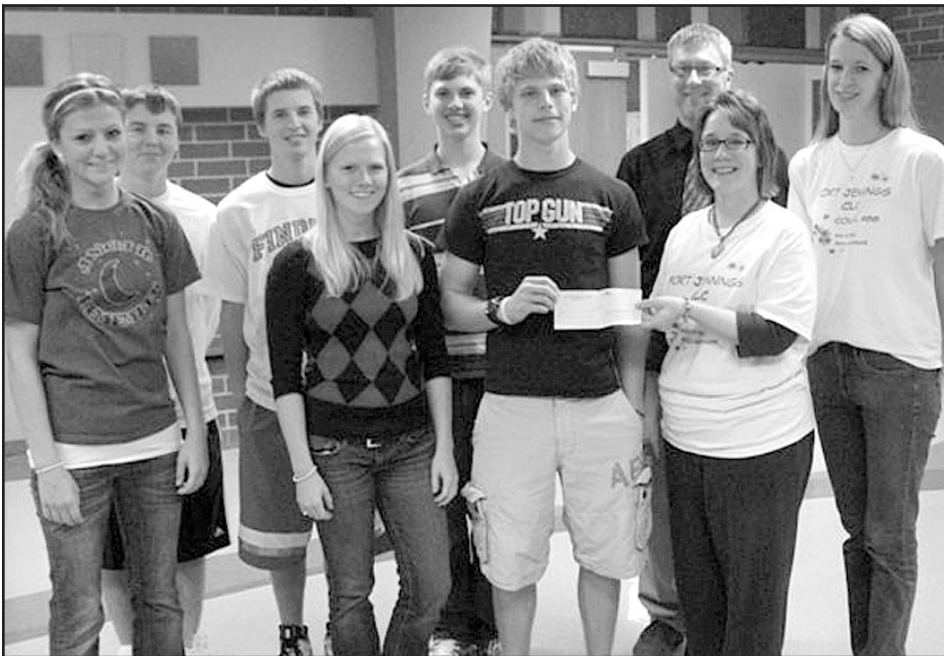

The volunteer hour report was given with 18 councils sending in their reports. The total fraternal and community volunteer hours

reported were 61,032 with 10,748 events being held. The members also reported spending \$36,229 for their council and communities.

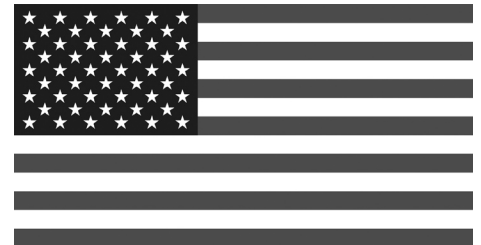

It was announced that the Fall Retreat will be sponsored by Glandorf Council #179 on October 14th. It will begin with a Mass at St. John's Catholic Church at 6 PM followed by a luncheon for a cost of \$5. Reservations can be made by calling the Home Office.

Loni Perkins reported that the audit by the Ohio Department was to begin on April 19. The ODI has been in contact with her to get all the information they need, so she is anticipating that the audit will go smoothly.

Cost cutting measures were discussed and Loni reported finding a new health insurance provider for the employees. The new company is Medical Mutual. They offer better coverage and CLC should realize a savings of nearly \$1,000 per month. The Board also approved the elimination of the Vice President of Sales and Marketing position.

July 2010

Sharon Says....

Well we just passed the longest day of the year, meaning summer is officially here. Wow how the thought of summer brings so many good memories. How as kids we would play outside very late into the evening. Hide and seek was so much better in the dark and how could you catch the fire flies and make bracelets until it was dark? I know many councils relax during the summer and do not have their regular meetings. Even though some of the councils do not have regular meetings, I know you are visible and busy in your communities doing your many fraternal acts of kindness.

Summer is also when we have the opportunity to spend time with family members at reunions, picnics and special celebrations. Maybe you can take this time to promote CLC. Or even better you may need a gift for someone special. A CLC life insurance policy could be that perfect gift. Call your local agent or the home office for any help you may need.

CLC has just finished being audited by the Ohio Department of Insurance. To date we are awaiting the results, but are anticipating they will be favorable. It is customary for them to audit us every 3 to 5 years and many times their suggestions are useful when implemented.

Upcoming events include a retreat to be held on Thursday, October 14 at St. John's Catholic Church in Glandorf. I know that seems a long way off, but we would like to have a good turnout, so mark your calendars. It is a beautiful church and the perfect setting for our retreat. You can make reservations by calling the Home Office.

Another national holiday is being celebrated this month—Fourth of July! We will celebrate this great country's independence by enjoying many outdoor activities which hopefully will include a fireworks display. Be sure and thank those who gave so much in service for our country so we can experience the freedom we enjoy each day! Let them know how much you appreciate their sacrifices.

Just a reminder there will not be an Index in August. Have a safe holiday and enjoy the warmth of the summer months!
